Stone memorial orbs

Using natural Cumbrian limestone, the stone memorial orbs are designed to weather and age to create the established look of natural stones.

The stone memorial orbs can hold from one to four sets of cremated remains. The cremated remains are placed into a special steel casket which is then placed within the orb. The smallest stone orb is used for memorial inscription only. Each orb comes with a granite memorial plaque to which a gold leaf inscription can be added for your personal tributes.

Ornamental stone memorial orbs

from £225

Nature themed memorials in a choice of elegant designs can be inscribed and used as an individual remembrance memorial, or for complementing an existing stone or woodland orb.

Crafted from sustainable woodland timber and sourced from natural windfall in woodland locations nationwide, each orb is unique, providing an original memorial.

As the orb becomes established within the garden it will become home to mosses and insects, contributing to the wildlife and health of the environment.

The woodland memorial orbs can hold from one to four sets of cremated remains. The cremated remains are placed into a special steel casket which is then placed within the orb. Each orb comes with a granite memorial plaque to which a gold leaf inscription can be added for your personal tributes.

Woodland memorial orbs from £845

30 x 30 x 60 cm. Holds a full set of cremated remains.

The Buddha is hand carved in stone and perfect for a quiet spot in the garden, with the ashes stored discreetly in the base. With an overall height of 60cm, the portable Buddha will discolour over time in external conditions, adding to its rustic charm.

Highdown urns £185

18 x 15 x 27 cm. Holds a full set of cremated remains.

A stylish granite-effect urn which is equally at home indoors or outdoors. This innovative urn is weather-resistant, so can be positioned on a patio or garden or may be buried. With its unique adjustable plaque holder, an urn that has been buried can be retrieved easily and moved to a new location at any time.

The height of the marker post is easy to adjust and the memorial plaque can be securely fixed in a horizontal or vertical orientation. The post can be removed for grass trimming whilst the locator makes it easy to replace.
